24 Global Experienced Speakers, Facilitators, Coaches

A team of super experienced global executive coaches and team transformation facilitators

3 Weeks of Virtual Collaboration

The platform we are using to facilitate your learning and integration experience is revolutionary

We are a team of super experienced global professionals, including executive coaches.

Our collective background is in leadership, management and team development across multiple industries including pharmaceutical, medical devices, cosmetic, automotive, machinery, military, aerospace, higher education, banking, insurance, fiduciary, transportation, logistic, energy & renewables.

We are truly global and operate from Germany, UK, Ireland, Denmark, The Netherlands, Sweden, Switzerland, Israel, the United States, Canada and together we are the C-IQ European Collective, and we like to share.

An Interactive Learning Event

Join us throughout the month of September
for a highly engaging interactive learning event.

Session Program Overview

Each day consists of 12 sessions, 24 Sessions in Total

6 parallel sessions per day, colour-coded by themes and working sub-themes

The live in-person virtual event will be held over two days 9-10 September.

The actual event will kick off on September 1st with your invitation to join our collaborative learning platform ~ Howspace

Here you will be able to get to know us and other attendees before, during and after the live sessions.

You will find exciting places like the Lounge and the Library for sharing, conversations, networking and fun.

The facilitators will be engaging with you with various activities leading up to their sessions.
